

PROJECT UPDATE

JANUARY 2018

SUNNYSLOPE ROAD BRIDGE TO CLOSE FEBRUARY 7

As part of the Zoo Interchange project, the Sunnyslope Road bridge, over I-94, is scheduled to close long-term February 7 by 5am. Over the next several months, the bridge will be reconstructed, with a projected opening in late August 2018. Demolition of the existing bridge is scheduled to occur overnight on February 9, which is anticipated to create additional noise. Moorland Road will remain open as a detour route during Sunnyslope Road bridge reconstruction.

WHAT TO EXPECT DURING CONSTRUCTION

Some construction activities are likely to create noise and/or dust during the course of the project. Be assured that we always work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us. The project team appreciates your patience during this period of intense construction in your area.
